ORDER NO. P. 3318—LEGIS. 46-35-7, DATED BANGALORE, THE 18—19TH NOVEMBER 1945.

Exemption of certain Motor Vehicles from payment of Tolls at Municipal Toll-gates.

MEMORANDUM.

1. Section 98 of the Mysore Motor Vehicles and Road Traffic Act No. VI of 1944, lays down that "Notwithstanding anything contained in the Mysore City, Town and Minor Municipalities Act, 1933, no Municipal Council shall levy (1) a tax on motor vehicles, or (2) a toll on such motor vehicles as are exempted from payment of municipal tolls under this Act or the rules made thereunder." This memorandum showing the classes of motor vehicles thus exempted from municipal tolls is issued for the information of Municipal Councils in the State.

2. (i) Private motor cycles and motor cars which are liable to a vehicle tax under XI Schedule Part A of the Act are exempt from tolls at all Municipalities throughout the State.

(ii) Goods vehicles solely used for agricultural purposes are also exempt from tolls at all Municipalities.

Explanation.—A goods vehicle used for transportation of agricultural produce along a public road shall not be deemed to be used solely for purposes of agriculture.

To get the exemption from tolls, the vehicles specified must exhibit current licences or tokens as prescribed by the Government from time to time. The licence or token also specifies the exemptions from tolls.

(iii) (*a*) Motor cabs, *i.e.*, motor vehicles used for the carriage of persons for hire or reward, other than a stage carriage are exempt from all municipal tolls when and *only* when they compound by the payment of the composition fee for tolls, as prescribed in Section 90 of the Act. A motor cab claiming exemption on this ground should produce the necessary current licence or token prescribed by the Government for this purpose.

(*b*) Motor cabs which do not pay the composition fee are *liable to tolls* at all Municipalities, other than that in the limits of which the owner resides or carries on the business in respect of which the vehicle is used or of the Municipality nearest such place within a radius of five miles in those cases in which the owner does not reside or carry on business within the limits of any Municipality. The Municipality at which tolls are exempt will also be mentioned in the licence issued to the vehicle under the head " No tolls."

(iv) (*a*) Stage carriages plying solely within the limits of a Municipality are exempt from the tolls of that Municipality.

(*b*) Other stage carriages plying on ordinary or short term permits are exempt from all tolls when plying in the area covered by such permits. Such stage carriages when used for private purposes and not paying mileage cess, must pay tolls. The rules to be issued in this connection will require stage carriages to exhibit a board or placard bearing the word " private."

(v) Goods vehicles not let or plied for hire are free from tolls of only the Municipality at which the owner resides or that at which he carries on the business in respect of which the vehicle is used or of the Municipality nearest such a place within a radius of five miles in cases in which the owner does not reside or carry on business within the limits of any Municipality. The licence and the permit for the goods vehicle specify the Municipality at which the vehicle is exempt from tolls.

3. Special attention is invited to Section 2 of the Act which defines motor cycle, motor car, motor cab, stage carriage and goods vehicle.

**Note*—In continuation of the Memorandum of instructions issued with Government Order No. P. 3318—Legis. 46-35-7, dated 18—19th November 1935, regarding exemption of certain motor vehicles from payment of tolls at Municipal toll-gates, the following instructions in regard to some of the points contained therein are issued for general information and guidance of Municipalities:—

1. The exemption from Municipal tolls in respect of motor vehicles referred to in para (2) of the said Memorandum is dependent on the payment of taxes. Tolls therefore, can be levied by Municipalities on all such motor vehicles as do not carry current licences, as prescribed by Government from time to time.

In enforcing this, the Municipalities concerned should ensure that vehicles which carry current licences are not stopped or detained.

2. When any motor vehicle arrives at a toll-gate without a current licence, the Municipality concerned will, in addition to collecting tolls, arrange to have the registered number of vehicle, and the name and address of the person in-charge of the vehicle noted and reported to the nearest Police Station for taking necessary action for the recovery of taxes due.

**Vide* G. O. No. P. 6982-93—Legis. 46-35-36, dated 22nd April 1936.
